

**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
OCALA DIVISION**

SUSAN HURLEY,

Plaintiff,

v.

Case No: 5:21-cv-53-GKS-PRL

**COMMISSIONER OF SOCIAL
SECURITY,**

Defendant.

ORDER

This case is before the Court on the Commissioner's opposed motion to stay the case for ninety days to produce the certified transcript of the record necessary for this case. (Doc. 14). Due to the global COVID-19 crisis, the SSA has taken certain steps to maximize social distancing, including suspending in-office services to the public and moving rapidly toward a virtual work environment. The SSA's Office of Appellate Operations ("OAO") in Falls Church, Virginia has been forced to redesign its business practices to allow for a mostly virtual transcript preparation process. Despite these changes, the OAO faces a significant backlog of work that has built up during the past months. The Commissioner represents that Plaintiff is opposed to the duration of the requested stay but has consented to a shorter thirty-day period.

Given the unique challenges caused by the pandemic, the Court is inclined to afford additional time to the Commissioner in order to obtain the transcript of the record in this case. However, the need for an extension must be balanced with Plaintiff's right to have her case decided.

Accordingly, the Commissioner's opposed motion (Doc. 14) is GRANTED to the extent that the Commissioner shall file an answer and the transcript of the record for this case within 60 days. If additional time is needed, the Commissioner should file a declaration specific to this case and explain why the transcript of the record has not yet been prepared.

DONE and **ORDERED** in Ocala, Florida on May 3, 2021.
